From our cross country boat racing trip to Seattle, WA, to my days playing ball at USL, to giving Drake some QB lessons, to the help for my son Austin's baseball team, Mr. Don is one of the most selfless, caring and generous men I've ever known. He will be dearly missed. Heaven has gained an angel.

“ Bonnie and family...my heart goes out to you all. What a generous soul has gone heavenward. I hope for you many joyous memories of your husband, dad, brother, grandpa, uncle...

Bonnie, you and Don have given so much to your family, company and community...this speaks highly of your giving and servant's hearts. i will, always, remember the wonderful tour of your company when we visited and how proud I was to just share some of your blood running through my veins. i truly stand still for you. Scripture says for those that believe on Jesus Christ...to be absent in this life is to be present with the Lord. Our only consolation is that one day, we hope to be joined again with our loved ones. Praying and thinking on you during this tremendously hard time...asking the Lord to protect and bless you all.

“ I never met Mr.Don, but I've heard stories of his love for boat racing and how he shared this joy with his family - especially Mrs. Katherine. You can tell he was always looking out for his family by the legacy he leaves behind. While his shoes will be hard to fill, his presence will still be felt and will be passed on in many different ways. I am very sorry that you've lost such a big part of your life and in such a heart breaking way.

“ I am really saddened to hear of Don's passing. I go back to my early days in Morgan City when Through my brother Sammy I got to know Don. Later in life we renewed our friendship in Lafayette. I had the pleasure of doing business with Don and Doug over the years. Don's was always a genuine nice guy. I grew up with Don's lovely wife Bonnie and feel sorry for her loss. Don Mashburn was a really nice person and a fantastic business person.
