“ Oh how my brothers and I loved growing up next to Miss Charlotte. She laughed and made us laugh. I remember the first Christmas postcard she sent, sitting on Mr. Smokey's lap and you could just see how happy they were.

Her Truesdell nieces and nephews were blessed to have her.

“ Little did I know 44 years ago when my family moved into our house on Venus Drive that destiny had a plan for me and my nextdoor neighbor. Charlotte and Smokey adopted us, and made us feel at home when our families were a thousand miles away. They regularly kidnapped my kids, and said "Come get them when you want them back." Our friendship continued to grow stronger, even when I had moved to Slidell, then Jackson, and eventually back home to Illinois. Charlotte, you have a special place in my heart along with all my memories of our 'adventures', laughter, tears, and secrets we never told anyone else. Be at peace, my friend.
