“ When our classmates would get together, I always remember how much she talked about her son and granddaughter with so much sparkle in her eyes and a big smile. Loved the tribute so much.

“ I knew Denise through the Clerk of Courts office where my husband works and through membership in Catholic Daughters of the America's Court 1613 Our Lady of the Rosary. I attended her mothers funeral where Denise explained to me how proud it would make her to one day be a life long CDA member just like her momma. And

oh, her love for her little boy! When you start missing your momma Daniel, start praying to both your mom and your holy mother Mary. She and Denise will be there for you. I know I underappreciated the goodness that Denise had to share. I now miss all she had left to give to everyone she knew. May perpetual life shine upon my friend Denise.

“ From: Debbie Powell — I was very shocked and saddened to learn of Denise’s passing. I will always remember her kindness; her beautiful, generous spirit; and the immense love she had for her family and friends. In years past, when she spoke to me of her son Daniel and granddaughter Madison, her face would light up. She was such a proud mother and grandmother. It’s hard to believe that it was 51 years ago that I first met Denise when we were both just seven years old. She was one of the first friends I made when I moved to Lafayette with my family. We went to Prairie Elementary, Lafayette Elementary, and Lafayette High together, and as we grew up, I remember her always being so enthusiastic about life...always with a smile on her face and a giggle in her voice. We shared a great love of gardening and singing. I was always so impressed by her knowledge of horticulture ... and at such a young age. As a teen, she had one of the most beautiful collections of African Violets I’d ever seen. I grew to love them as well. In fact, I learned my first lessons in gardening from Denise ... and what an enthusiastic teacher she was. She taught me a great deal. She also had a funny, silly side as well, and she loved to perform — whether it be singing in the choir, acting out a funny character, or telling a joke. ... and those funny voices she used to do...hilarious! Yes, Denise was one of a kind, and she will be sorely missed. My sympathy goes out to Daniel, Madison, Mr. Emile and Renee, and all of Denise’s family and close friends. I pray that in time your pain will be washed away and replaced with only the fondest memories of Denise. Here is a poem by Ellen Brenneman called “His Journey” that I hope will bring you some comfort during this very difficult time. I’ve replaced His, Him, and He with Her and She. I

“Her Journey”

“Don’t think of her as gone away
her journey’s just begun,
life holds so many facets
this life is only one.
Just think of her as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.
Think how she must be wishing
that we could know today
how nothing but our sadness

can really pass away.
And think of her as living
in the hearts of those she touched...
for nothing loved is ever lost
and she was loved so much.”

“ Denise was a member of Court Our lady of the Rosary No 1613 for many years. She was a loyal and faithful member and was an Officer at one time. She loved to sing and was always called upon to sing at our CDA Banquet. Due to her illness she has not been able to attend our Catholic Daughter meetings. However she was always interested in keeping up with the activities of Our Court. We will miss her and will keep her in our prayers.
