Mrs. Raine, a resident of Lafayette, was the daughter of the late Leonidas "Byron" Garrett and the former Olga Johnson.

We are celebrating the life of June Raine, 91, who passed away Thursday, March 19, 2020 at her home. Born in Atlanta, Georgia on October 25, 1928, June was a wonderfully devoted and loving wife and mother. She was always there, dropping everything to offer endless help, love and support. While her children were growing up, she was an excellent homemaker, always working hard to make her home warm and beautiful. She felt having children, grandchildren and great-grandchildren was one of her greatest accomplishments. She always taught them to make good decisions and be true to themselves. After her children grew up and went out on their own, June went to work with her husband, a geologist, as his Administrative Assistant. She took her work very seriously and did an impeccable job. Having grown up during the Great Depression, both of them knew what hard work was and soon built a successful oil and gas company named Raine Oil & Gas. June and her husband, John, had a very loving and inseparable relationship, with a bond like no other. You could often hear John endearingly say to her, "Hey good lookin', What ya got cookin'?" or "Hey Jellybean!"

June loved to do volunteer work at the Needy Nook at Asbury United Methodist Church. She had many hobbies. She loved to crochet, making everyone in the family beautiful afghans, choosing colors and patterns unique to each recipient. She also loved to play piano and collected angels, swans, plates, and figures for her Christmas Village. June was a beautiful person with a never-ending love for her family. And just like her favorite color,

yellow, she was bright and cheerful!

She leaves behind to cherish her memory, her husband of 70 years, John Wesley Raine III; four children, John W. "Jack" Raine IV (Mary); Pamela Raine Provenza (Joe); Melinda Sue Raine; and Betty "Anne" Raine Diehl (Jim); nine grandchildren, John W. "Wes" Raine V (Roxanne); Byron Garrett Raine (Nicole); Patrick "Travis" Raine (Danielle); Joseph "Paul" Provenza IV; Amanda Rachel Provenza Adams (Jeremy); Brian Michael Provenza (Nina); Erik James Diehl; Elizabeth Brennan Diehl Knight (Nich); and Jennifer Raine Marie Diehl; 9 great-grandchildren; sisters-in-law, Mary Alice Lach and Susan Danko; brother-in-law, Harvey Beal, Jr. and nieces and nephews, Amy; Melanie; Harvey; Jeff; Wes; Laurel; Lily; Billy; Cindy and Felicia.

She was preceded in death by her parents, Byron and Olga Garrett; her brother, Leonidas "L.B." Garrett; her sister-in-law and brother-in-law, Phyllis and Walt Marks; and her sister-in-law, Virginia Beal.

June will be missed by all that knew and loved her. Regretfully, due to the present public health circumstances, a private viewing and service will be held for the immediate family only. At the appropriate time in the future, there will be a memorial service.

Personal condolences may be sent to the Raine family at www.delhommefuneralhome.com.

Delhomme Funeral Home, 1011 Bertrand Drive, Lafayette, LA is in charge of funeral arrangements.

“ I am so sorry to hear of Aunt June’s passing. Although it has been many years since I had seen her, we kept in touch with yearly birthday and Christmas letters. I always looked forward to hearing from her and getting the latest news of the family. Hugs and prayers

“ It has been a privilege to be June’s neighbor for 37 years and her dermatologist for almost as long. My wife Cynthia and I always tried to keep our yard as beautiful as John and June’s was, but we never could. My thoughts and prayers are with John and the entire Raine family. Rest In Peace Lady.

“ Thank you so much , Dr. Dan. Mom and Dad always respected and appreciated you and Miss Cynthia as neighbors. They especially appreciated being your patients and receiving your medical advice and treatments. Jack Raine

“ I became acquainted with John and June when I was their driver for a few brief years when they were in their mid 80’s. For lunch on Fridays I drove John to the Petroleum Club where he would meet with other oilmen to eat and at the back table in the corner. On Tuesdays at 9am, June had a standing appointment with her long time hairdresser, Gwen. John would come with us and give me money to get biscuits and coffee from McDonald’s. So we had a weekly breakfast party with Gwen at the beauty parlor. John and June and I had birthdays in October. So did my priest and his wife, with whom I had celebrated my birthday for several years. So we just enlarged the party and all of us met at Don’s Hut that year and had a good time. Jack was in town, so he came, too!! I still think about them. Please accept my sincere sympathy and heartfelt prayers for John and the family. Virginia Reinhardt

“ I'll remember June working in her yard. She was so proud of the efforts of her hard work. The prettiest yard in the neighborhood. Of course, John was always by her side.

She will be missed!
