“ I used to rock her when she was about 1 1/2 years old, she loved that!! I probably spoiled her I have many memories of her, I remember when her Dad was changing a tire Kim somehow cut off part of the tip of her finger. Bob and Billie somehow saved it, rushed her to the Dr and he was able to reattach it. And it grew back!!! I don't believe it even left a scare.

Kim was fun loving and she was a great cook. I remember her bringing her boys to see us and gladly the kitchen was their's, They made the best Sticky Chicken.... To her Son Josh, her grandchildren, her mother Billie June and brothers Steve and family, Dan and family, we are feeling your sadness and your loss. Another one of our family members gone too soon. Sending prayers and much love She will be missed but not forgotten.
