“ On behalf of our family (Huey, Lance, Annette, Cynthia & I) Our Deepest Condolences to AJ, Greg, Luke "Pookie" and her family and friends. Leigh was light hearted, and never met a stranger. I met Leigh in 2008 when I started with the City in the same department. You couldn't help but Love Leigh, she had a good heart and loved loved Loved helping people, she couldn't say "No". We helped her move a few times and she Insisted on not only giving us for gas but giving Huey equipment that she had used when she had done tile. This particular equipment, had it's feet missing and she said "the feet are in the shed in a bag and i'll look for them and give them to you later", Sure Enough...She didn't forget. She was So So Proud of AJ's accomplishments and shared how AJ was accessorizing models with her vast jewelry collection and the many other endeavors AJ embarked on. Her grandson Luke was her pride and joy! Leigh was Always dressed to Impress! Always! Hair, Make-up and wardrobe. I knew I could go to Leigh to see about borrowing some jewelry and Oh she Loved to Share! She treasured her mothers ring too! Don't tell her you liked something she had because she would give it to you. I remember she had this case and she showed me pictures of the house and she said "I Love that House, it's Beautiful"! She fell in love with this house back then (2008) and a few years later, she bought it! She was So Happy to Own that house that she had fallen in love with. She gushed showing it off when we visited her new house. Leigh, Huey * I LOVE You! You weren't just a coworker, you were Our Friend! We Miss You Already! It's been a very Sad week at work without you. Rest in Peace friend and please watch over all of us that Love you! Until we meet again. Huey & Leticia LeBlanc, Annette, Lance & Cynthia.

“ AJ & Luke-I am so sorry for your loss. I know I will miss her. I was thinking this morning about the time she was trying to stop "cussing like a sailor" she filled her money jar in one day. Love that girl. Leigh was such a kind, giving person and always went out of her way to help those in need. Miss You Leigh.
