“ Mary Lynn was always so kind to me. She sparked my entrepreneurial spirit. She was my first business mentor. I am grateful that God placed her in my life. She will be missed but never forgotten.

“ Mary Lynn was a beautiful , talented woman. She got many wonderful traits from both sides of her family. We all grew up in Lockport and enjoyed visiting our grandparents, aunt and uncles as well as playing with our cousins. We all enjoyed gathering our relatives now and then in later life. I will always remember her beautiful smile.

“ I met Mrs. Mary Lynn many years ago, in 1995 (I was in my 20s) when I was working for Matt, where she was directly involved. I was so impressed by her motivation to make a difference in an industry and admired her. She promoted “ Woman Owned Business “ before it was cool & inspiring.

Mrs. Mary Lynn was a kind and charming lady. May she Rest In Peace. My deepest condolences to Gerilyn and her lovely family. May you find comfort and peace in the warm memories of your dear mother.

“ As a younger cousin growing up in Lockport, I was in awe of Mary Lynn’s many talents—from music, to art, to fashion. She had an insatiable curiosity about so many things, and she inspired me in my own love of learning and curiosity about the world. I am grateful to her daughter Gerilyn for bringing Mary Lynn back into my life in the last months of her life. May she Rest In Peace in her heavenly home and continue to inspire us, who keep her loving memory in our hearts.
