“ *Growing up next door to the Boudreaux family on Perkins Road was an extension of the Atkinson family. It's hard to remember any day that went by in the 60's and early 70's that one of the Boudreaux's wasn't a daily part of my life, and Michael was certainly a big part of that. Michael was a few years older than most of us that hung out with the Boudreaux clan, but he was always a part of whatever was going on. His interest in motorcycles, music, sports, hard work, and just having fun was an inspiration to us all. I don't remember ever seeing Michael without a smile on his face. You will be missed my friend. See you again on the other side.*

“ We are sorry to hear about Mike's death. He was a wonderful neighbor to us when we lived in Lafayette. He tied our oldest son's tie when he was going to a dance and John was out of town. He was proud that our youngest was also a member of the LSU Band. We have kept in touch and will miss him. We'll be praying for the family.
