

William H. "Scotty" Hall Jr.

October 4, 1940 - August 20, 2019

Scotty Hall passed away at age 78 on Tuesday, August 20, 2019, just six weeks after his cancer diagnosis.

Scotty (William H. Hall, Jr.) was born on October 4, 1940 to Harmon and George Ann Hall. On July 30, 1960, he married Jill O'Niell Mathis. Scotty earned his pharmacy degree from Northeast Louisiana State College in 1962 and later owned Thrifty Way Pharmacy in Lafayette, along with The Uniform Shop and a hearing aid dealership.

Scotty had a wide variety of interesting hobbies, probably more than most people do in a single lifetime. He relished the time he spent with friends at his hunting camp. After retirement, he spent the majority of his time restoring antique cars and traveling with Jill to local and out-of-state car shows. For more than ten years, he did volunteer work as a pharmacist at the Lafayette Community Health Care Clinic. He took pride in the fact that he worked as a pharmacist for fifty years.

Scotty is survived by his wife, Jill; his two daughters, Fay Lynn Hall Cavalier and Jena Hall Costello; six grandchildren; siblings, George Hall and Susan Hall Terrell, Fred Terrell; one niece and two nephews.

He was preceded in death by his parents, William Harmon Hall and George Ann Rutherford Hall; and his son, Danny.

Funeral services will be held at 11:00 AM on Saturday, August 24, 2019, at Episcopal Church of the Ascension, 1030 Johnston St., Lafayette, LA. A reception will be held in Coughlin Hall at the same address.

In lieu of flowers, the family would appreciate donations to be made, in Scotty's honor, to the Lafayette Community Health Care Clinic at 1317 Jefferson St. Lafayette, LA 70501.

They also ask his many friends to share fun memories via email: rememberingscottyhall@gmail.com.

Personal condolences may also be sent to the Hall family at

“ Dear Family and Friends::
I extend to you my prayers and words of comfort during this time of sadness. I met Mr. Scotty Hall at Gibson's (now Drug Emporium) early in the 1970's. His work site was close to the entrance, so he was usually the first person to greet people as they came in. I felt comfortable asking questions about medicines and little things that came up as I shopped. Many years later, I heard that he was being honored for something, possibly the anniversary of being in business, so I went to his hearing aids location on North College to congratulate him. Oh, I was so pleased to see that he remembered me from so long ago. Mr. Hall gave me a souvenir that I shall always cherish. When I wear my red uniform jacket, that little souvenir is always in the pocket, thus contributing to my sense of security!
When I treat myself to a slice of chocolate cake in honor of my birthday on October 4th, I'll treat myself to another slice in Mr. Scotty's honor.
REST IN PEACE, DEAR FRIEND!!!

--sincerely

“ Jill, Lynn, Jena, Susan and George,
My heart is saddened by Scotty's death. He was always soft spoken and especially kind and generous to Brett. I've always appreciated this attention, as has Brett. I'm sorry not to be able to attend his funeral, as we are out of the country. I've been thinking and praying for the whole family since I heard of his passing.
Peace be with each of you.

“ Jill, so sorry for your loss. I will miss Scotty in the duck blind, we had great times at the camp, listening to his deer hunting stories, how to build a pirogue, carve out a hunting bow and of course his work on his vintage cars. He was an exceptional very talented man. I had a lot of respect for him I many ways

“ My husband and I had just gotten engaged and I was DETERMINED that we just had to ride away from the venue in a vintage mint-green or baby blue convertible. We started looking around and realized it cost a lot more than we thought it would and tried to come up with a new play, but I was so hooked. Finally, my father (Bruin Hays) called to tell me that he knew someone that owned classic cars and he might be willing to drive us in one that night if we invited him to attend the wedding. All I had to do was come down to his shop to pick the one I wanted. So I show up at this building along Bertrand that I've always passed, but I had never given it a second glance. Inside was packed full of the most beautiful cars - I couldn't believe they had all been right there the whole time!

The night of my wedding, Mr. Hall arrives with his brother in matching Hawaiian shirts, but instead of Hawaiian flowers there were classic cars covering the front and back. At the end of the event, we made our getaway to the car and he carefully started it up. We had to move slowly so the car wouldn't be damaged by stray

pebbles in the street, but guests started catching up to us, honking and cheering at us as we passed! Mr. Hall mentioned he knew of a "short-cut" to our location. An hour later we arrived at the honeymoon suite, the whole time Mr. Hall telling us stories of the surrounding area and sharing in laughs. We still think back fondly to that night and will forever hold that memory in our hearts. Thank you, Mr. Hall.

“ Our daughter got married at Greenwood Plantation in 2015, 4 years and 2 months ago almost to the day. She didn't want a fancy car for her wedding departure and preferred a "Classic" car. Knowing that Scotty had many classic cars, I called and asked if he would drive my daughter and her new husband from the wedding to the Bed & Breakfast after the ceremony. Scotty said "I'm sorry, but I don't do that." His cars were for his enjoyment and to show at different events throughout the country. But he asked, "Where is the wedding being held?" I told him at Greenwood Plantation in St. Francisville and the drive would be from there to Shade Tree Bed and Breakfast in St. Francisville (about 16 miles away). He hesitated for a moment, then said "I'll do it." I was surprised and asked him what on earth changed his mind. He said he had family property right next door. WOW. What an unusual coincident. Scotty showed up at the wedding with his brother George each wearing a Hawaiian shirt, driving up in a stunning baby blue Oldsmobile convertible. It was quite a spectacle. Scotty later told me how much he enjoyed the event and driving the back-roads of St. Francisville with his brother and the newlyweds. Thank you Scotty for the memories.
